Proposed Recipient: AGMET
7800 Medusa Street
Oakwood Village, OH 44146

Statute/Regulation: CERCLA Section 104(e)

State Coordination: Vince Brisini, PADEP Deputy Secretary for Waste, Air and Radiation Management and Michael Bedrin, RD, Wilkes-Barre (Northeast) Regional Office, PADEP have been advised of this action.

Site and Location: Chaperone Technologies, Inc., 66-68 Analomink Street, East Stroudsburg, PA (Monroe County)

Proposed Action: General Notice Letter. The purpose of this letter is to notify the recipient that it may incur, or may have incurred liability under Section 107(a) of CERCLA.

Basis for Action: PADEP contacted EPA about an abandoned facility at the above address. The Borough of East Stroudsburg, who owned the building for 40 years, found containers of chemicals, wastes and vials of unknown materials allegedly left by prior tenant, Chaperone. Chaperone stayed and leased the building directly from the Borough. Chaperone abandoned the building without removing the chemicals, biological agents and equipment.

A Removal Assessment of the building was conducted on January 2, 2013. During the assessment numerous chemicals, including CERCLA hazardous substances, and small boxes containing vials of Chaperone's research work were found. Hazardous substances were unattended in the Building. A potential threat to public health or welfare or the environment was identified.

Proposed Recipient: Chaperone Technologies, Inc. Kenneth E. Kovan, Officer
